SUBJECT: Suggested Topics For Your Meeting With
Secretary Weinberger, 11 February 1983

-- Unclassified Papers. Constantine has completed
the compendium of evidence on support for
extreme leftists forces. If you wish, it
can be included in your book to talk about
or pass to Secretary Weinberger.

-- Middle East.

-- Lebanon. Following the NSPG Luncheon of 4 Feb-
ruary, you may wish to discuss the prospects
for peace and the nature of the studies
requested by the President. Memos from
Charlie Waterman, [redacted] and current
intelligence pubs give a nice view of perceptions
from Jordan, Lebanon, and Saudi Arabia. A
piece on Sharon's future may also be of interest
for discussion

-- Sudan-Libya. Charlie Waterman has provided
memos on options for countering the reported

- Vice President's Trip/INF. There's not much to discuss; the debrief on his trip and that of Secretary Shultz is set for Friday at 1120-1200. You may wish to go over the status report the DI is to provide tomorrow.
- DCI World Wide Briefing. You may wish to give the Secretary a run down on your briefing, Congressional reactions, and your upcoming schedule. He has briefed the same committee (HAC Defense Subcommittee) this week on the Defense Budget. You may find it interesting to compare notes on your experiences.

2. The following items were raised for consideration but rejected by DoD:

- MX: Intelligence Support. The Commission has asked for an extension on its report to the President and DoD believes a discussion would be premature. NIO/SP and others have done a fair amount of support that might be worth discussing.
- Shultz Trip. This trip will also be covered at Friday's debrief.

3. DoD had suggested but withdrew the topic of international terrorism: its control, NSDD 30, and alternative approaches to a reactive counter-terrorist policy. [] has prepared a massive book on these topics for you. You may find it of interest now; I suspect the Secretary may raise this topic at a later date.

4. You may also wish to pass the Secretary a copy of Bob Gates' piece on Soviet defense spending even though Ikle was given one this evening.

5. Please let me know if there are any other topics you wish to raise or if there is anything else I may do for this meeting.
